Warehouse Shipping/Receiving

Primary Location: Minnesota Office

Reports to: Branch Manager

Description:

GROEBNER is a distributor and manufacturers' representative focused on natural gas companies and contractors. Our company interacts with all departments within gas utilities and our sales staff has many different opportunities to work with personnel on all levels of the organizations we serve.

SUMMARY:

This position is to support warehouse operations by receiving incoming material and inventory items and checking the contents of packages against packing lists and manifests, shipping outgoing material to ensure correct items are shipped to customers and entering orders for walk-in customers.

Responsibilities –

- Read customer orders, work orders, and shipping orders to determine items to be moved, gathered or distributed and/or shipped
- Move materials and items from receiving or storage areas to shipping or to other designated areas
- Assemble customer orders from stock and place orders on pallet or shelves, or relocate orders to a holding area or shipping department
- Enter orders for walk-in customers with a professional/friendly/positive attitude
- Ensure completed customer orders are accurate and verify with initials
- Ensure second person verifies and initials all completed customer orders
- Open boxes, containers, cartons and/or packages used for shipping
- Use computer hardware and software to generate labels and maintain equipment
- Label and package daily shipments
- Maintain and organize adequate shipping supplies
- Use manual pallet jack and/or forklift as needed
- Ensure that products processed for shipping are delegated to correct courier
- Oversee incoming and outgoing shipping activities to ensure accuracy, completeness, and conditions of shipments
- Assist in shipping and receiving truck shipments
- Greet all customers, delivery personnel, and staff with a professional/friendly/positive attitude
- Arrange transportation that optimizes service and cost
- Inspect incoming materials and notify appropriate staff of potential quality issues
- Direct movement of shipments to appropriate work areas
- Investigate and solve customer problems and issues
- Notify appropriate staff when customer returns are received into the warehouse
- Assist with inventory cycle counts
- May assist with facilities maintenance duties as needed

LOCATIONS:

21801 Industrial Blvd.
Rogers, MN 55374

450 Fenton Lane, Suite 902
